

Admission Policy Summary 2008/09

The following criteria will be used to allocate the available places if more applications are received than available places.

All pupils will be admitted at one point of entry in September.

All preferences will be assessed against the following priorities regardless of ranking.

- a) First priority for admission shall be given to “relevant looked after children”.
- b) Second priority for admission shall be given to children with a “serious and ongoing medical condition” where the preferred community or voluntary controlled school is the most appropriate school to meet the condition.
- c) Third priority for admission shall be given to children who have a brother/sister, half brother/sister (where the children share one common parent), or step-brother / step-sister, living at the same address and who will still be attending the preferred school in the academic year 2008/09.
- d) Any places that remain available once the above applicants have been admitted, will be filled according to those children who live closest to the school, determined by a straight-line measurement in metres, from the home address to the main entrance of the preferred school.
